

Parent support advisor

Hello my name is Mrs Angela Doran. I am a parent support advisor here at Ayresome Primary School.

If you need any support or have a question for me, please contact me on 01642 244961.

At Ayresome, we recognise that parenting isn't an easy job and at times we all need extra support to achieve the best outcomes for our families and children.

I am here to provide a listening ear, to offer signposting and support if required. This could include-

- Issues with attendance/punctuality.
- Concerns around money (food parcels, school uniform).
- Family support.
- Signposting to parental courses.
- Support making medical appointments.
- Signposting for SEND support within school.
- Support with Early Help referrals.
- Form completion (including Reception and secondary school applications)
- Support with school transfer requests.
- Providing support and advice to parents during the Covid 19 pandemic.
- Supporting parents with remote learning and app support.
- Support with school appeals.
- Arranging interpreting services.

I may not always have all the answers, but I can signpost you to the agencies that can offer further help and guidance and together we can help put together the pieces in the puzzle!

I am available during the school day Monday to Friday.

Angela
